AmeriCLAVE 2026 is Finally Here!

In one short week, Section E20 will gather again at AmeriCLAVE 2026 to celebrate the 250th Anniversary of our country, reunite with old friends while making new ones, participate in all of the fun programs that Conclave has to offer, and make memories that will last a lifetime. If you have not yet registered, you can do so by clicking the link here. This link will bring you to the Section E20 website segment that contains information regarding the event with a registration button too!

WHICH LODGE WILL BE THE 2026 CONCLAVE CONQUERERS?

Each year, the Lodges within Section E20 collect points throughout the weekend by winning competitions, participating in The Big Event, putting clothespins on the backs of the Section officers, and enjoying everything else Conclave has to offer! Does your Lodge have what it takes to become this year's Conclave Conquerers? Attend AmeriCLAVE 2026 to find out!

The Big Event

For this year's big event, here is a note directly from our Big Event Coordinator, Danny Zayas!

"Hello everyone, this year's big event event will be a tasty one. Ten of your Lodge members will participate in a series of 4 challenges to complete a greater task unknown until the day of the event. Completing these four challenges will allow you to obtain something that is also unknown to create a wonderful unique item to present to our Region Chiefs. I hope you are excited to participate in this event!"

Interested in Running for Section Office?

At the business meeting on Sunday, the youth members of the Section will elect the next group of Section Officers. We encourage people who have strong leadership skills, scout spirit and who are seeking a new challenge to run. To be eligible, ONE MUST have written approval from your Council Scout Executive. This letter should be sent directly from your Scout Executive to Section Adviser Lloyd Gallup (adviser@e20.oa-scouting.org). If you are interested in running, please discuss with your Lodge Adviser.

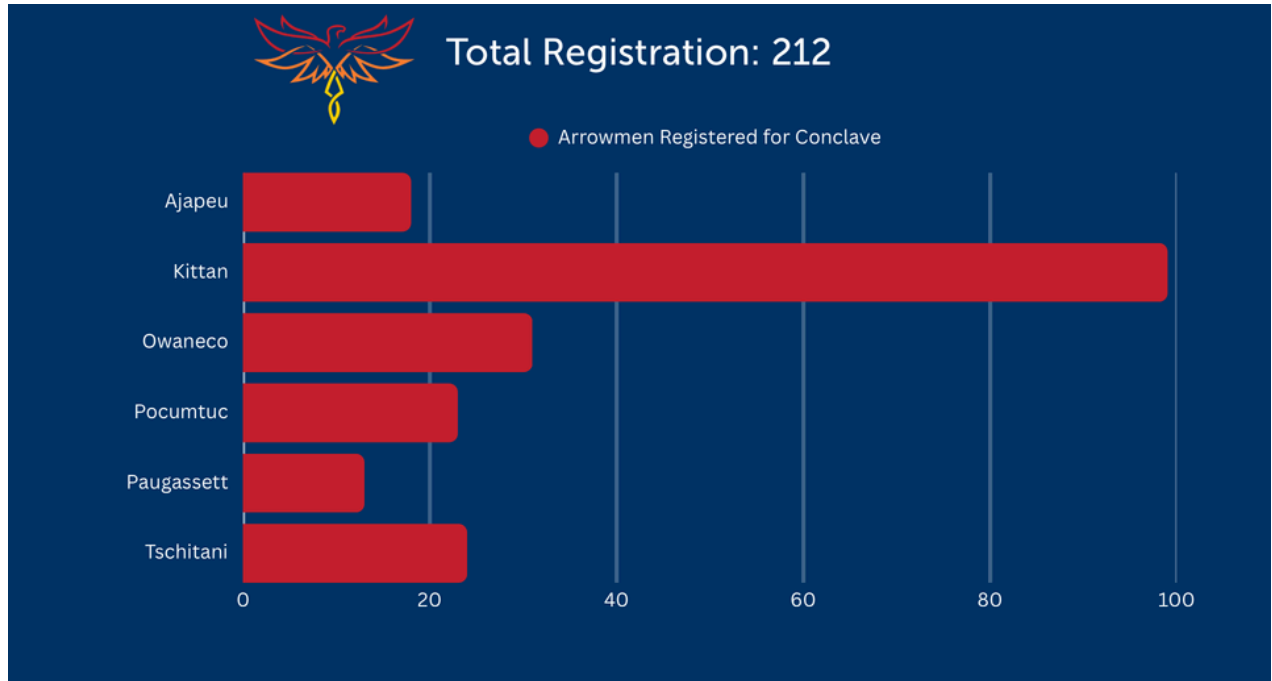

Patches, Merchandise, and More!

If you're a patch collector, then AmeriCLAVE 2026 is the right place for you! At the event, there will be opportunities to buy and trade for patches from many Lodges and Councils within our Section. Lodge Trading Post managers, don't forget to bring your Lodge patches to be sold at Conclave! The Section trading post will be open throughout the event, and during Saturday evening we will hold a patch silent auction with a live auction directly afterwards to close out the night. Additionally, for the very first time, Section E20 will be having preorder merchandise including Section branded polos, sweatshirts, V-neck sweaters and even pajama pants!
